Inventory images for products listed can be found at www.theheirloom.co.nz

Styling is that part of an event that is a reflection of you, it can be anything from vintage to modern, classic to quirky or a mixture to suit you. We can assist with the smallest detail through to full event styling - weddings, birthdays, corporate functions, engagements, anniversary, vow renewal's baby showers, photoshoot styling and corporate functions. Anything worth celebrating is worth the extra detail and a unique touch! Starting with an extensive range of items for hire to suit your theme, we can help source those things that will make your event unique, then we can set up all the finishing touches right through to florals/flowers.

Don't know where to start? Don't panic – let our design team help to build an event to suit your tastes and personality. We can help find a style that reflects your ideas, likes, event needs and budget. We will work with those who find it too hard to choose a style from the overwhelming number of ideas out there or with those who have a strong idea of what they want but need a hand fine-tuning their event – or anyone in between!

Seen what you like? Not sure how to incorporate all the ideas, inspiration and pieces into your event? We can help your vision become reality - we can be as involved as much as you like or step back and just advise. Contact us for a consultation, either by e-mail, phone or in person and let us assist.

We know that planning an event can be stressful and time-consuming. The Heirloom can take the pressure off by transporting and/or setting up the decorative pieces or items you want to hire. We also help to pack down afterwards. Cost will depend on the delivery location and the volume of items to be transported. No matter what your needs are we can help to create something a bit special, unexpected and a talking point for years. Contact us for a free initial consultation to see where we can help.

* Standard period of hire is for 3 days and includes day before pick up after 12pm and day after return before 12pm.

* 30% deposit is required to secure the hire date for hire only clients. For clients who require styling a \$500 deposit is required.

* Full payment is required 14 days prior to the intended date of hire. Payment is to be made via bank transfer or cash.

* 25% of the total hire charge is required as a refundable damage deposit and is required at the time of final balance.

* Please see our Terms and Conditions for all cancellation policies, refunds etc at www.theheirloom.co.nz
